

Hand Lifter 60 (Manual & Cordless Electric)

W000373790

Pivot handle allows use as a hand lifter or a sheet dragger.

W000373790

Hand lifter for all your small steel handling needs.

W000373791

Perfect for removing parts and cut outs from burn tables.

W000373791

Push button on/off control. Ideal for fast repetitive lifting.

Magswitch Hand Lifters are the perfect solution for small steel handling. No need for you to touch sharp, hot, dirty steel. We are committed to your safety! Magswitch Hand Lifters feature easy on off control, are light weight and extremely strong (features a 230 lb (104 kg) Magswitch, which we derate to limit lifting up to 60 lb (27 kg) to comply with Occupational Safety lifting limits). The manual model features a pivot handle for use in sheer. The “Worlds First” Cordless Electric Hand Lifter features two lithium ion batteries* – each with 2000 cycles per charge.
